Commissioner for Patents
P.O. Box 1450

I. The Office Action

The October 6, 2005 office action (the "Office Action") in this application requested applicant to restrict to one of the inventions of Groups I, II and III.

Applicant elects Group I, claims 1-5 and 13 with traverse on the basis that all of the claims encompass a botulinum toxin, hence a single search should suffice to search all the claims.

The non-elected claims 6-12 are hereby cancelled, without prejudice to further prosecution at a later date.

Examination and allowance of claims 1-5 and 13 is requested.

Respectfully submitted,
